

Cemeteries and Family Burial Grounds

York Comprehensive Plan Inventory and Analysis Municipal Capacity Chapter May 12, 2006

This map was created using information from the following sources:

1. Wright-Pierce Map, 'Family Burial Plots Map of York, Maine'
2. 'Maine Cemetery Inscriptions York County Volume 3', Maine Old Cemeteries Association, 1995
3. Volunteers from VFW and American Legion
4. Old York Historical Society
5. Town of York GIS
6. Junkins Cemetery was found by Alan Junkins and is not yet numbered.
7. The Currier and Unknown Cemetery were provided by David Currier and are not yet numbered.

This site is suspected to be the first burying yards in York. There is evidence of skeletal remains having been excavated during the construction of the Emerson Hotel a century ago. In addition, there are references in Charles Banks' History of York. At this time it is unknown whether or not any remains exist at this site.

Note: The cemeteries are listed by name and number as designated by the Maine Old Cemetery Association

* These graves were moved to the 1st Parish Cemetery before the construction of the Bell Marsh Reservoir
